DO I CARE ABOUT PEOPLE?

QUESTIONS WHAT STOPS ME?

- When you are listening to people, do you genuinely care about what they are telling you?
- Are you curious to learn more? Why or why not? Do you ask another question or quickly change the topic? Are you aware of the other person's feelings?
- Do you find your own story more interesting than listening to other people's stories? Take time this week to step inside the shoes of each person that you speak with. As they are talking, imagine their world.
- As you allow them to speak, walk with them as they describe their day, their experiences or their challenges.
- What do you want to know? What stops you from asking certain questions? What were you told as a child about asking questions? What stops you from caring? What adjustments can you make that will improve your people skills?

This is my second course through ECA and WOW love it. Thank you, Louise and Team, for all your help, suggestions and support throughout the last few months. I highly encourage potential coaches to do both the Associates and Professionals Course because the professional's course builds on the associate's info.

I originally took a Life Coaching course provided by a different company and I did not feel as if it was thorough enough. I decided to try this course because it was highly rated. I expected it to be a great course but I have to admit that it exceeded my expectations. The instructor is very knowledgeable of her field and goes in depth to uncover many scenarios that one may experience as an Empowerment Life Coach.

The resources given in this course are absolutely great. The easy and structured way Louise explains/go through the material is amazing. I must say this is one of the best courses I have bought here on Udemy, so far.

This course is truly self empowering. I am feeling the freedom to step out and make myself be seen. The lectures are empowering yes but the encouragement Louise gives to put my assignments up. Knowing that my words are not being judged, graded frees me to really think of my way of being and expressing. So, yes, this course is above my expectation.
